of the American Loyalists.

The Memorial of Frederick
Philips Junior.

Respectfully Sheweth,

That at the Commencement of the late Rebellion in
America your Memorialist was entitled under the last will
of his Grandfather to a very extensive and valuable Tract of
Land near the City of New York known by the Name of the
Manor of Philipburgh as Tenant in Remainder in Tail after
the Death of his Father, His Father from principles of
Loyalty and Attachment to the British

507 69

Government took a decided part against the Measures of the Seditious and was obliged to take Refuge with his Family of which your Memorialist was one within the British Lines at New York And afterwards from the same Principles and Motives your Memorialist was induced to Enter into his Majesty's Service for the purpose of Suppressing the Rebellion and is now a Captain in the Loyal American Regiment of Foot.

That in consequence of the loyal part thus taken by your Memorialist in the Cause of the British Government the Rebel State of New York have passed an Act of their Legislature by which the Person of your Memorialist is attainted and the said Estate confiscated to the Use of the State by which he is deprived of a very valuable property derived from his Ancestor and reduced from the prospect of Opulence to that of Poverty and Distress. —

Your Memorialist therefore prays
 That you will take his Case into your
 Consideration and make such Report thereon
 as shall Enable him to obtain a
 Compensation for his Losses sustained on
 Account of his Loyalty and Attachment to
 the British Government.
