

Dear Father

We feel very anxious to hear
to hear how your eyes are, not coming
up on Monday as you thought of doing
when I left I was fearful they might
be worse. if you are not coming up this
evening please let us know how you are
and if you wish me to come down to
attend to you. I felt very much worried
after I got on board the Steamboat on
Saturday thinking I ought to have
stayed and attended to the Leeches,
I hope they were of benefit to you,
Mamma's eye has been quite inflamed
again. — Mrs T. Van Dyke left ~~Yonkers~~
afternoon she said she was very
sorry she could not have seen you

again. Have you heard any thing from
Cate? or how Aunt Eliza is? it is nearly
a fortnight now since we have heard from
her. - I found my things all on board
the Steamboat that I had ordered that then
on Saturday, and I got home very safely although
a very long passage, it was near 8 o'clock
when I got home, we were aground an hour
at Tarrytown the Gabelle came in about
half an hour afterwards so I did not
gain much by leaving at three. -

If you do not write send word by
Paul how you are and when you
will be up

Most affectionately Yours
Daughter Joanna
