

Miss Emma Nichols
No 162 Broad St.

Dear Emma

Will you have the
goodness to send me my trunk
which I left in your bag
at the society.

I have been looking for you
all day. I should have been
at your house this morning
when I went up street but
I was in a very great hurry.
If you are alive do come
down here this afternoon

I have got my old
visitor the back ache
good bye.

Yours till the end
of the chapter

Susan Maria Clark.

Do write me a little
bit of a note
