Dear Huntington Esq.

My Dear Sir

I beg to acknowledge

Your kind favor of recent date
— also to thank you very much
for your interest in the matter.

I shall be down so soon as
this extraordinary ice-period shall
yield safe foot-hold again.

It has occurred to me that
perhaps if the old frame has any
 quaintness of its own, it might itself
be framed — showing immediate
entourage of broad bands of gilt
& that — protected by dragons cop.

Edgewood T. P. P.

Yours very truly
