

Albany Feb. 6 1863

My Dear Child

With an ailment of only two days I have been confined to my bed from the time your children left me, and within the three last days, have experienced as severe an attack in the stomach & head, as I have ever had, it is happily returned to the extremes, and now only moderately affects me. —

Gov. Hamellon has informed me that he will be at Newrock to attend the arbitration, but in a subsequent letter of the 4th instant, I am informed he was indisposed with a remittant but still hope he will attend. —

It is not probable that I shall be able to leave my bed before the day appointed for the meeting of the arbitrators. —

Wm. A. V. Knapp has been hoped that

Albany since my confinement but did not
call on me, altho I wished to have conferred with
him on the subject of the abolition. I am
informed he lately went to Utica, but whether
he is returned or not, I know not.

Very united with me in love to you & your
whole dear household

I am most affectionately

Yours

Ph. Schuyler
