Captain Simmons Raymond was one of a family who were old residents of Swig Swig (Ossining) where he lived he would be over a hundred years old. He owned the Sloop "Extra" and ran her for many years as a market-boat to N.Y. taking apples potatoes etc in large quantities to the N.Y. markets, (all sorts of farm produce) Capt Raymond was tax collector, and a very well known man in Swig Swig he had^a market himself on Main Street or his brother had. Raymonds market, (Judge Reynolds who swore to his signature was also a very well known Swig Swinger -) Mr Albert Tompkins remembers him well as would Bonnie or any of the older people. He was a great fisherman and fished on Cranbury Beach all his life. I remember him well and have often heard him talking to my Grandmother at the Manor House. I heard him tell the story of building the ~~slipping stones~~ sand causeway out to the Beach and boast how he made a peninsula out an island in the Croton River. I have heard him say. I made a peninsula out of your island Mrs Van Cortlandt. There was then no question of our

ownership of Craubuckey - which was
never called Craubuckey Point - but -
always Craubuckey Beach or The Crau-
buckey - I have heard him talk to
my grandmother about the pooded
rocks and how we owned the river
from them out to Croton Point -
