

Sunday March 7th 1847.

My dear Sir,

This will be handed to you by our
countryman Mr Robert Le Roy of New York
for whom I would ask your kind civilities
during his sojourn in Madrid.

Hoping you find your residence in Spain
agreeable and that you continue in good health.

I am, my dear Sir,

Very respectfully and
truly yours.

Washington Irving

His Excellency.

Don N. de Saavedra
