William H. Mersereau Esq., Architect,

39 Broadway, N. Y.

Dear Sir:-

We propose to furnish and set for the residence at Tarrytown, N. Y. all of the iron work as per specification submitted by you to us as follows: The 4 ornamental anchors; all of the ordinary anchors, straps, bridles, &c. required to complete the job; all of the beams and girders punched as required for bolts; all of the beam and girder anchors; two pieces of grating with hinged doors and brass padlocks; two copper and wrought iron weather vanes, and all of the necessary bolts and washers for the wood lagging strips to the iron beams for the sum of five hundred and fifty five (\$555.00) dollars. It is understood of course that we do not set any of this work excepting the beams and girders and weather vanes, but deliver all of the material at the site of the operation.

We are prepared to furnish this work very promptly and to your entire satisfaction and hope to be favored with your order for same.

Very truly yours,

Rapp & Spidel
