My dear Dr Francis

I am afraid you

will put yourself to too much trouble
on my account. All I want is simply
a few anecdotes & of Mr Youngs younger
days to make the matter of help or
harm in my Memorial. My space is small
and there are many things to go in.

I thought it would be good to have
your honored name and testimony
with the others. I will call on my
way down to-morrow morning at 7 or 8 o'clock.

Yours truly
James J. Hayes

Dr J. W. Francis.
