Port Louis the 3th of September 1802

My dear friend

Since the letter you wrote
Me at St Bartholomews I have Not recieved any
from you though I have wrote you
several times. My uncle Barbot is really —
happy he goes to America. how I envy his fate
you do not doubt the pleasure I should have
of seeing my friends of Newbury Port. you are
without doubt informed of the troubles of
our unhappy country. My uncle Richelieu
and my eldest brother are at present in the
woods chasing the Negroes. we dont know when
they will return. since two Months we are
returned from St Bartholomews where we were
obliged to ^{go} fearing the Negroes should become
Masters of the country; they have burnt

great Many estates and killed a considerable
Number of persons. I hope that your —
parents brothers and sister are in good state
of health. Tell Miss Hannah ~~that~~ that
I have not forgot her. Spray you to kiss her
a thousand times for me. Give my love
My dear Maryanna to all my amiable
friends in Newbury Port and to our dear Mrs
Rogers. They have told us that betsey Toppan
was married if you are informed of that I beg
you to let me know it. present my respects
to Mrs Fraziers and to her amiable daughters,
adieu my dear friend I kiss you a thousand
and thousand times ^{and am} your affectionate
