

Dr Son Pierre

A Mr Scofield is now here to see if
his papers which you said you had to give
to him when you had a good opportunity
he desires you to bring them here so that
he may get them at Mr Beekmans by the
15th instant where I promise him they will
be if you bring them in time

Wee are all well here and hope this
may find you and Lety well also, your bro-
went yesterday to Pound Ridge when you
come bring me a few large peaches if to be had
Our Love to you and Lety &c

Am yours affectionately
