

Washington Jan'y. 16th 1829.

My Dear Genl.

Your several Letters with their enclosures have been duly rec^d. And it gives me great pleasure to state that I have this instant returned from the office of the State where I have been to ascertain the place where those Gen^{ls} reside. Col. Buford resides in George Town Kentucky. Col. Taylor in Louisville of the same State and Col. North in Philadelphia - I have franked the Letters addres^d to them & sent them by this day's mail.

You may have observed that the list of the Field Officers of the Revolution a copy of which I sent to you has been published in the Spectator - It is proper that I should state that after I had sent the list to you I thought it would be well to send one to Col. Stone to be published.

I have the Honor to be

dear Genl with great respect

Yours obt^d Serv^t.

A. Ward

P.S. The list of all the officers & soldiers will be published in a few days. you may expect to receive a copy from me
