Dear Mother

I have been intending to write to you every day since we arrived here and I hope you will excuse my neglect in not in not doing so before we arrived here all safe on Thursday evening we had very warm weather while in New-York and have had here also. Aunt received a letter from Uncle General on Sunday and was happy to hear of his safe arrival home and said he must continue the application of pork to his ears as she thinks it will improve his hearing. — I saw Miss Hissum at Mrs Dodge's she said she was going to spend the month of August at Sine-Sine she is to board at Mrs Darlings. —

I have had a very bad toothache for two or three since I have been here and had to have my tooth taken out Aunt is very well and joins me in love to yourself Uncle, Pappie and the Children I have nothing more to say at present and so must conclude my letter I hope you will write me soon
