

CARMICHAEL & CO.,
STEAM AND HOT WATER HEATING.

PLANS AND ESTIMATES FURNISHED.

235 WATER STREET,

TELEPHONE, 724 JOHN.

New York,

Sept 14th 1898

W. H. Mersereau Esq

Dear Sir

Enclosed find
vouchers receipted for check
from A & Irving Esq.

Mr Irving complained to
us that his apparatus did not
give him satisfaction. We
have carefully examined the
hot water heating apparatus and
have made changes to assist
its working but cannot do any
more until chimney is raised
higher. In certain winds the
apparatus could not be improved
Yours Resply Carmichael & Co
