

Dear Emma

Aunt Mary was taken quite sick last evening and will not be able to see you to day could you defer your visit until tomorrow? If so could you send me word by the carrier and also write your first letter any other day this week. Phil is much better and has gone on a little excursion to Long Island with Uncle Fred & Dr. Stearns. Give my best love to Aunt Anne and tell her Mr. W. Irving passed Monday. Love and believe me your affectionate
Catherine Mary.
