Rager B. Allison, Principal Phone 789 2254

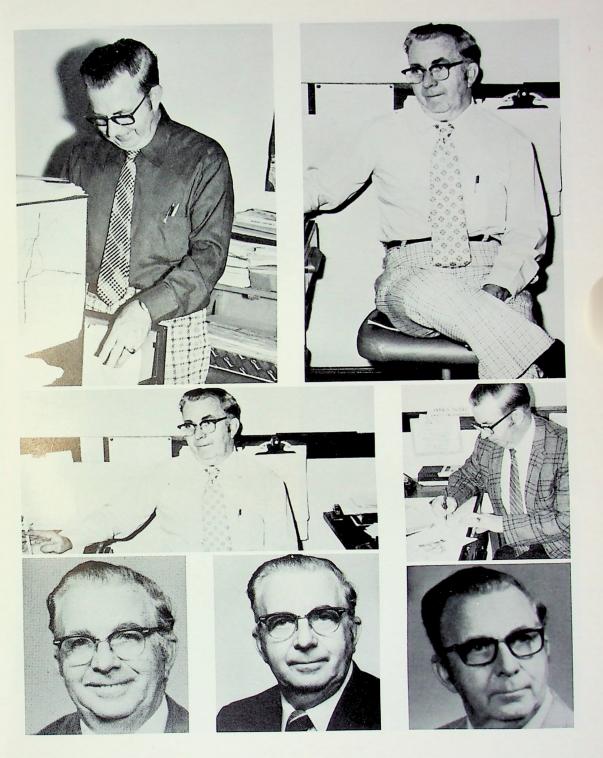

Jim Burke served as a dedicated educator, administrator, and counselor in the Scioto Valley School District for nineteen years. Thirteen of those years were at Piketon High School as Guidance Counselor. His knowledge and service to the school will be greatly missed.

It was a pleasure to serve as an administrator with Jim Burke on my staff because I always knew I could count upon Jim for any assistance I may need. He was a great source of information to students. teachers and other employees and stood ready to serve the school and community.

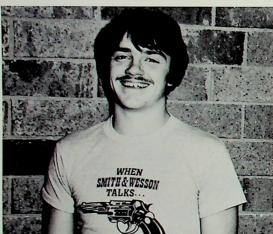

I would like to take this opportunity to wish Jim and his family a long and happy retirement.

Sincerely,

Poger B. Allison

The 1982-83 Piketon football season was definitely a step forward in the right direction! The coaching staff realizes the time involves which it takes to be successful, and the sacrifices we are asking for our young men as well. We believe anything worth having in life is obtained only through hard work and keeping a positive attitude.

We cherish our three wins and despise our seven losses of the season. I sincerely believe we were a better team than what the record indicates!

Being stronger, more knowledgeable of the game, and more aggressive will make us better for the 83-84 season.

## **CROSS-COUNTRY**

The 1982-83 Piketon cross-country team can be summarized in one word: successful. The team placed high in a number of meets, even winning several others. The runners won the first team trophies ever at Piketon in only their second year. The difficult training miles, required to prepare for cross-country running, certainly paid their dividends.

Results of the meets are as follows:

Waverly Invitational
Quad at Northwest
Zane Trace Invitational
First Home Meet
Second Home Meet
Lancaster Invitational
Minford Invitational
Quad at SE
Rio Grande Invitational

SE District Class "AA" Meet

SVC Meet

3rd of 11 teams
2nd of 4 teams
3rd of 10 teams
1st of 5 teams
1st of 3 teams
10th of 17 teams
4th of 14 teams
1st of 4 teams
10th of 16 teams
2nd of 6 teams
3rd of 20 teams

The overall record of 72-29 is a challenge to attempt to better next year. Two runners — Rick Artis and Rick Blakeslee earned All-SVC Honors. Gregg Lux was awarded the 110% award and Walt Stover Most Improved. Rick Artis was the top runner overall for the year. Chris Legg and Steve Hart were awarded Varsity Letters for the first time.

The home matches were held at the Vocational School. Only Greg Lux graduates this year, therefore the team hopes to continue their winning ways.

Senior: Todd Rider

#### COACH'S COMMENTS:

"This years team was a surprise to practically everyone except our players and myself finishing with a record of 11-12 and making it to the finals of the AA Sectional Tournament. This team served as an example of what can be accomplished through hard work, discipline and a total dedication to team play. We thank our seniors for their leadership, wish them good luck in the future and look forward to next year with seven returning players."
