“FOREWORD”

The hallowed halls will always live
Though time passes on;
The memory of the joy stays near
Though all else is gone.
Truth and guidance has brought us here
Through the years the hands have wrought us,
High the standards who have taught us,

Through the years we have traveled over
Life's every hill;
Yet thinking of Dear old S.H.S., our hearts
With rapture thrill.
Those we loved are gone forever,
New ones walk old paths together,
New or old, it changes never,
Our old S.H.S.

Hail To Our Alumni

We are deeply grateful for the good response we received from our Alumni to our request for pictures. The following pages contain pictures that were sent in by you.

Not all of the pictures were marked according to year. We tried to keep them in order as nearly as possible. Those names appearing in this section are of Alumni contributing in some way to our yearbook. Again we say, MANY THANKS.

MORE PICTURES OF HOMECOMING

How Much Is \$165,000,000?

When the current expansion and modernization program is completed at its Portsmouth Division, Detroit Steel Corporation will have spent over \$165,000,000 in its determination to make this southern Ohio steel mill one of the finest, best equipped, most competitive such plants in the nation.

That's a lot of money.

For example, had a man who was living when Christ was born, continued to live until today, and had he spent \$225 every single day during all those long years, he would still not have spent that much money.

One hundred and sixty-five million dollars . . . the savings of thousands of ordinary people who, believing in the American Way, have become part owners in American Industry . . . plus the "plowed back" earnings of the company . . . all the money, within the next few years, will have been invested in the future of the Greater New Boston - Portsmouth Area to provide jobs and security for its citizens.
