COACHES COMMENTS: The outlook for next year's team with the loss of four starters? Even though the team will miss the ability of the four starting seniors, I am still very optimistic about my next year's team. They can achieve as much as they desire to.

I really truly miss the five seniors. I have enjoyed being part of their lives. I have enjoyed being their friend. They have surely taught me more than I them.

"ONE MORE NIGHT" theme for the 1987 Jr.-Sr. Prom turned out to be exactly that, one more night. Everything started out fine. The gym had been transformed into a classy big city skyline including a big top hat in the middle of the gym. Tuxes had been rented; dresses had been purchased and everyone waiting in anticipation of a special evening with friends. Then it happened. April 4, 1987 early in the morning it started to snow and snow and snow. For a while it looked like it wouldn't be a problem but later in the afternoon we had about eight inches of snow. There was nothing left but to postpone the prom till the next weekend.

Finally Friday came and the juniors and seniors were excused all day to get ready. The magic moment arrived and couples started to appear. The big screen video was an instant hit. This prom will be hard to forget even if it was "ONE MORE NIGHT."
