

At Berea.

Special Dispatch to the LEADER.

BEREA, September 25.—This the last day of the fair opened cool and dry; the weather was partially cloudy, but so cool that rain was feared. As early as 8 o'clock people began to flock in from the country in wagons and carriages and proceed to the grounds to witness the game between the Stars and Orientals. The game was called at 9:30 and the boys at once got down to work. There was some pretty sharp playing done in a few innings, but it was too cold for the boys to show off at their best.

Stars.....	1	0	2	1	5	0	3	0	1	—13
Orientals.....	0	7	1	0	0	0	5	0	3	—11

Umpire—Mr. Starr of Elyria.
Time—Two hours and thirty minutes.

In Floral Hall the display, although not as large as some fairs, is a great deal finer. It however is too large to give anything like a list of the things; only a few of the best can be mentioned.

The rope pulling contest between Strongsville and Liverpool resulted in a victory for Strongsville; between Liverpool and Middleburg, for Middleburg, the latter winning the money, as Strongsville refused to pull again.

At 2:45 P. M. the races were called. The track was in splendid shape, and the day being cool, everything seemed to augur a fine time. Each horse had many friends, and as the horses were well matched, betting at the pools was even. Pools were selling about equally between Brunswick Boy and Governor Bishop, the former being somewhat in the lead from his winning the 2:50 race of yesterday.

Purse, \$70: \$35, \$20, \$10, \$5.

The township trot was a pretty stubbornly contested race, and at some stages elicited loud applause.

Purse, \$60: \$30, \$15, \$10, \$5.

The Berea Comet Band furnished some excellent music. The organization does honor to the town.

The grand stand was well filled. It will be enlarged next year.
