—OUR Township Trustees have purchased four acres of land, on three sides of the old Cemetery, and now have it all inclosed with a new fence. We are informed that the whole lot will be under-drained, and filled with shade trees, which will indicate the present generation are not unmindful of the last, or the next. The first grave made in this ground was for the reception of Stoughton Strong, who died March 29th, 1819. He was the son of John S. Strong, the first settler of the township, aged 18 years, at his death.
