This is the best day the world has ever seen. Tomorrow will be even better.

If we cannot do

. . . we can do small
things in a great way.

Home

coming: A Kaleidoscope

Candidate Brenda Trisler's brilliant smile reflects the atmosphere of Homecoming.

Perhaps Candidate Vicki Craig's smile foreshadows the Pioneer victory.

Unsuspecting Candy Russell appears completely unaware of the title that awaits her.

Confusion is always the scene before any parade.

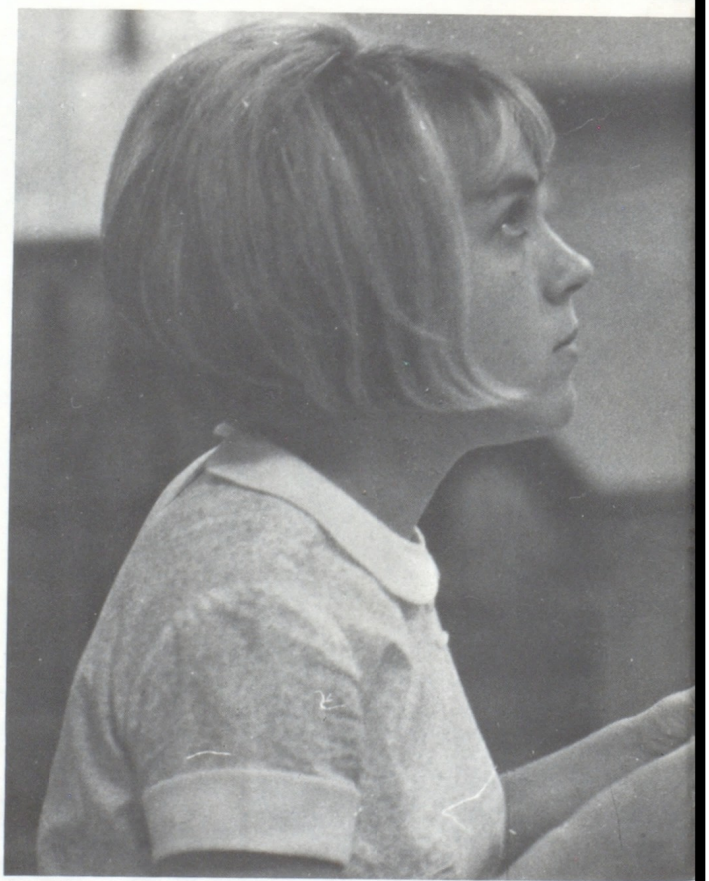
HOMECOMING:

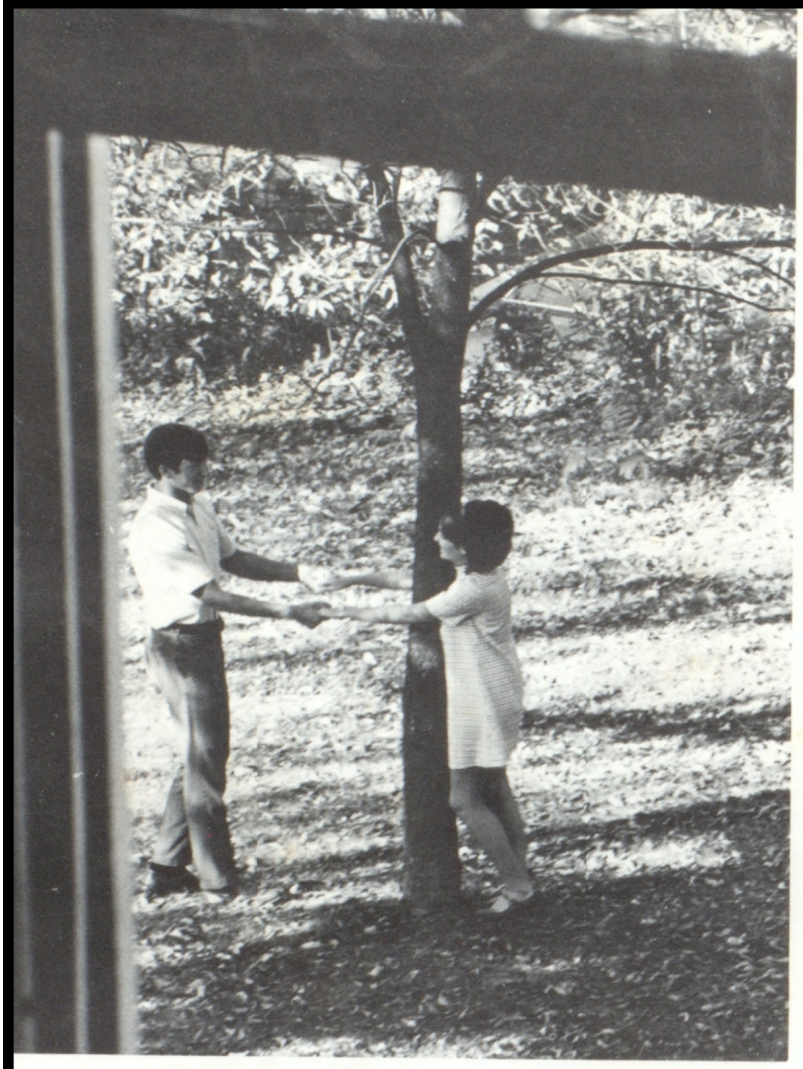
The image of tinted patterns of traditional events–bonfires, parades, spirited spectators and cheerleaders, and the gridiron action–all echo a memorable and victorious occasion.

Juniors put the final touch on their First Prize float.

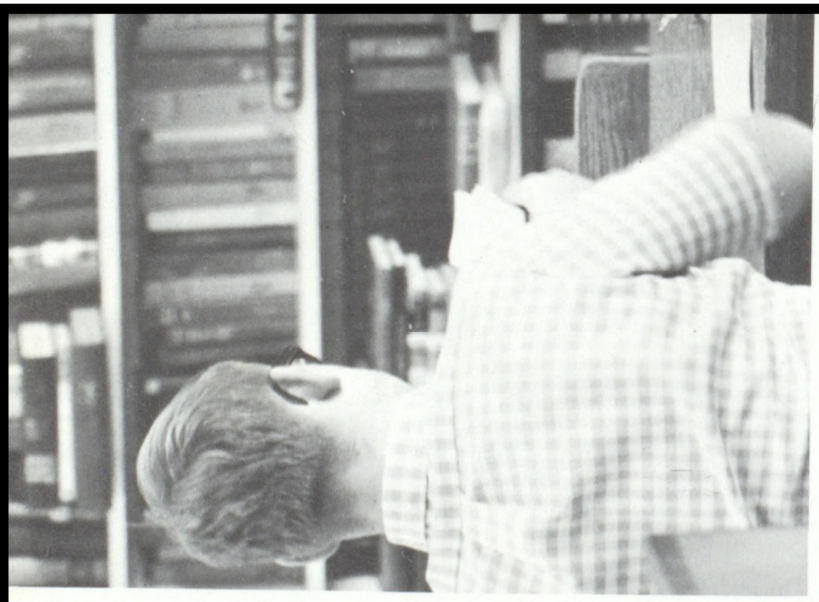
The Seniors' Second Place float makes the trip to the parade formation.

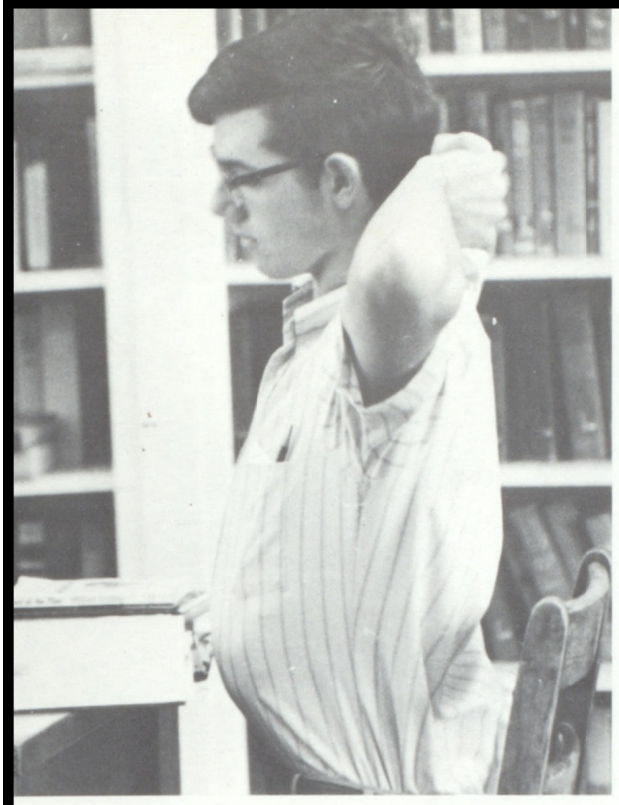
"In restless dreams
I walked ALONE. . ."

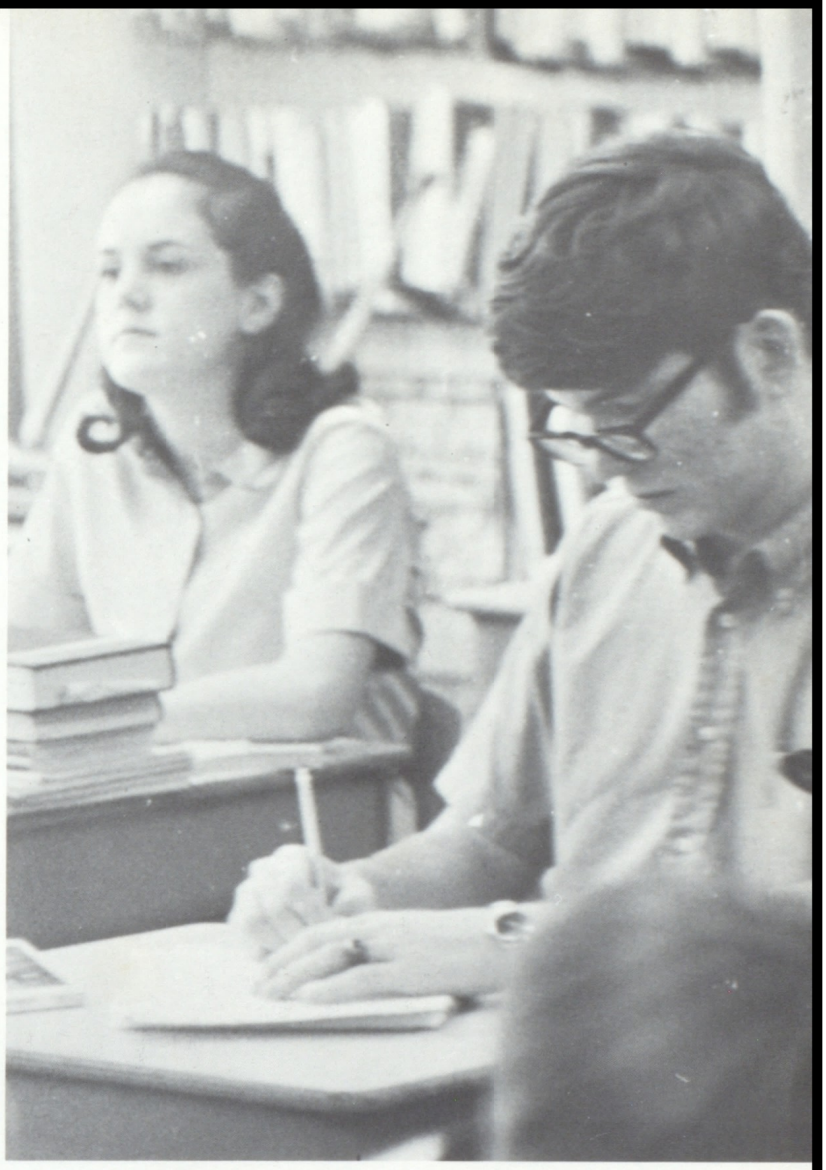




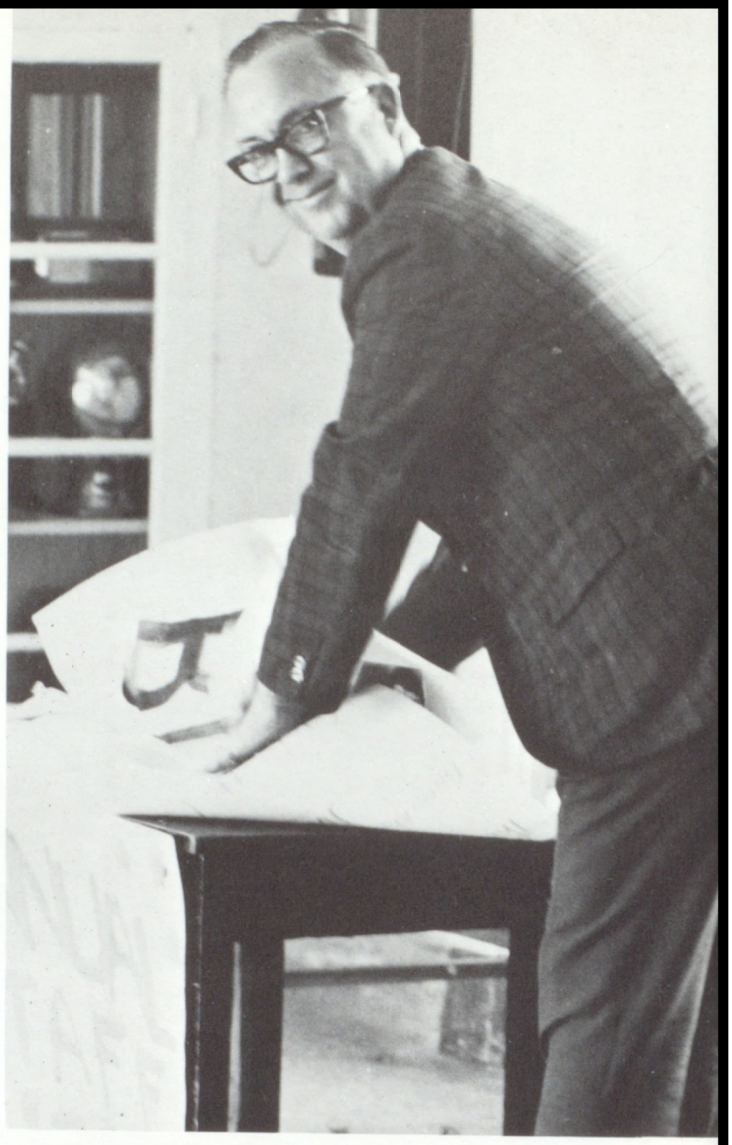
. . . but TOGETHER
we can fulfill
our dreams.



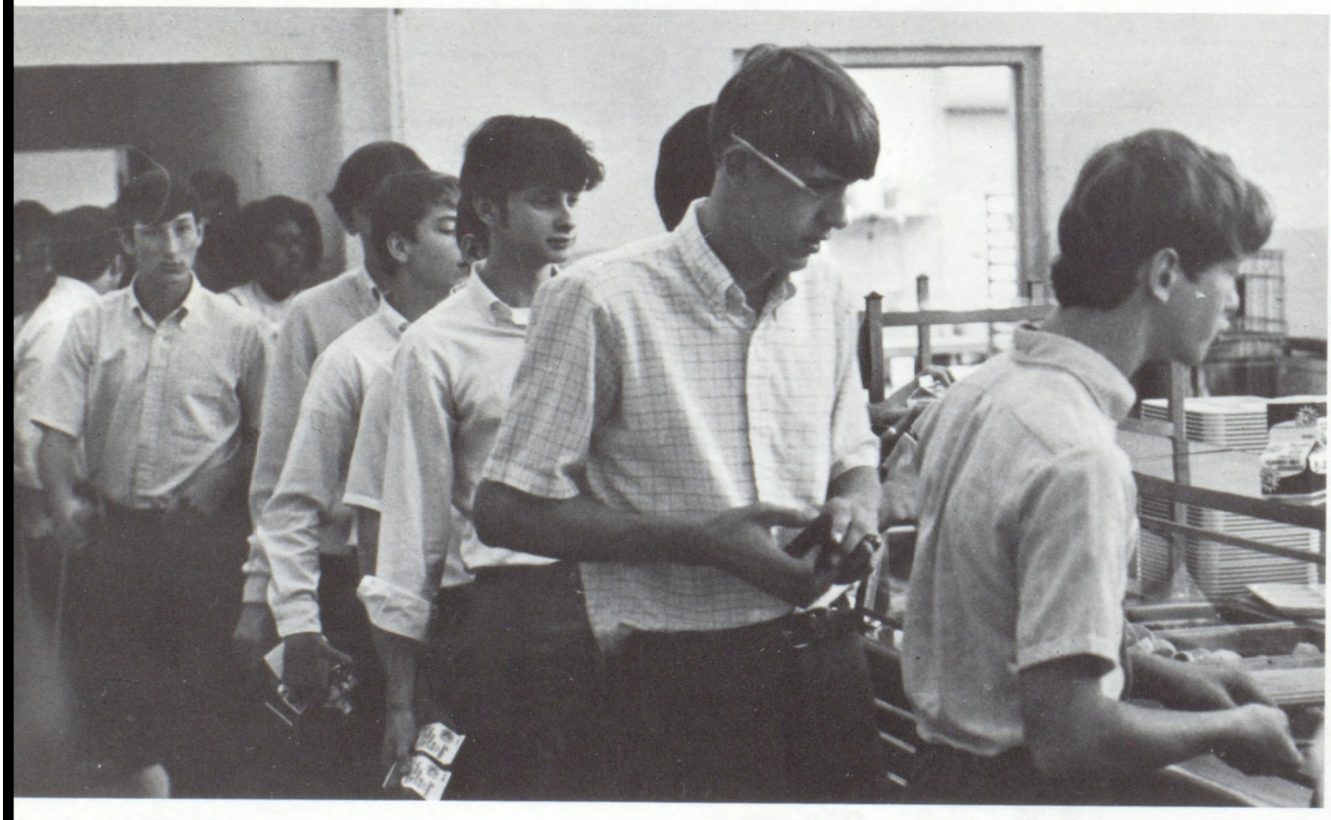




To KNOW is good.
To DO is better.
But it is best to BE.



Who's this? The part-time janitor!



Images of every-day routine stay etched in our minds.

The titles of Mr. and Miss '70 denote the ideals of the Senior Class; all the admirable qualities that make a person respectable in the present and in the future. Although we feel almost any Senior could deserve the title, Tom and Denise have outstandingly displayed the traits of a REAL student of H.H.S.

Pioneers

The '69 football Pioneers compiled the best seasonal record for Harrodsburg in many years. Jimmie Best was named First Team All C.K.C. Center, while Ronny Young, Bo Smith, and Monte Meadows were awarded Honorable Mention. Starting off slowly, the team came on strongly to lose only two of their last ten games. Hopefully, a new spirit was born—a winning spirit. The team would like to thank sincerely Coaches Harold Wood and Wayne Bowlin for their patience and guiding inspiration. H.H.S. is duly proud of this year's fine football squad, and predicts that its winning ways will continue.

HAPPENING '70

Staff Members Work Hard to Make a Memorable Year

Hard work and enjoyment center around the Journalism class at H.H.S. Many hours of proofreading, interviewing, writing, and pasting go into each newspaper with care. The staff members take pride in each edition of their newspaper and find it rewarding to see their work in print.

The purpose of the newspaper is to better inform the students of H.H.S. happenings, add enjoyment to school curriculum, and to express the different views of students and faculty.

THE END

Well, it's really over now . . . The last page is finished and sent in . . . In your hands you are holding a year's worth of worry, frustration, and much hard work . . . We know it's been difficult to tolerate us sometimes, but there's a lot more to making an annual than anyone realizes . . . But if right now, you're saying to yourself, "This is a great annual," then it's been worth every last bit of the "blood, sweat, and tears" . . . But if you don't like it, just don't ever tell us . .
