

Mercer Quarterly Court.

Howard Smith, Plaintiff, vs. Sam Higgins, Defendant.

Howard Smith, Plaintiff, vs. William Bradshaw, Defendant.

Affiant, Howard Smith, states that he is the Plaintiff in each of the above styled actions, and that unless an execution be issued immediately on the judgments this day rendered herein, the collection thereof will be endangered and probably defeated entirely. He, therefore, asks for the immediate issuance of an execution in each of the foregoing cases.
