-v- Petition in equity

Ezra Patterson

Defendant

The Plaintiff a Kentucky corporation states that the defendant Ezra Patterson on Jan 11, 1923 executed to it his promisory note filed herewith by the terms of which he agreed to pay it six months thereafter \$136.85 with interest from maturity until paid at 6%; that said note is long past due and no part thereof has ever been paid.

It states that by the terms of said note it retained the title to and a lien on one Bohon Buggy and set of harness the same as on said date sold to the defendant and it now has a lien thereon; that there are no other liens thereon known to this plaintiff.

Wherefore it prays judgment against the defendant for \$136.85 with interest from July 11, 1923 until paid, for its costs and for all proper relief including the enforcement of its lien by a sale of the property.
