

6- Before dark?

Ans. Yes.

7- Where did this happen?

Ans Between Lawrenceburg and Salvisa/

8- Which way were you traveling?

Ans Towards Salvisa - South.

9- Which way were the other people going?

Ans Coming meeting us - going North

10- What sort of road was it there?

Ans Right where it happened was a straight road - the bend was just below us.

11- Had you come out of the bend or had they?

Ans They had.

12- How was the Robinson car traveling, fast or slow?

Ans Fairly fast.

13- How was yours?

Ans Traveling slow when he struck us.

14- When you first saw him how was he traveling?

Ans Traveling at a very good gait.

15- Brown was going about the same rate?

Ans I don't know about that - going at a fair rate of speed,

each of us.

16- How far was Robinson's car when you saw him coming?

Ans That I couldn't say exactly.

17- About how far apart were you.

Ans I don't know - I imagine about as far as that fellow down there.

18- What is only 10 or 15 feet - is that what you mean?

Ans It was further than that.

19- The distance has been given as far as from the foundation of the Court House to the street below - is that a good illus-
