

11- State how the accident occurred- how Robinson happened to run into him.

Ans It looks to me - I don't know what his aim was- that he was trying to pass the other car and he pulled over on his left side of the car.

12- This car that was ahead of him- he pulled to his right of that car?

Ans To his left of that car - pulled to the left of the car to pass it.

13- Pulled to the right of the car he was passing ,
Ans He was aiming to pass the other car.

14- Which side of the other car did he pull on?

Ans On the right side to pass.

15- When he did pass what part of the road did he go on ?
Ans On the left side.

16- What if anything did your brother do to avoid being hit.
Ans He slowed down and got off the road.

17- Anything to prevent him getting further off the road?
Ans A barn standing there.

18- How close did he get to that barn ?

Ans- Pretty close.

19- What part of his car was on the road at the time he was struck

Ans The left side.

20- Where were his right wheels ?

Ans They were off close to the ditch.

21- What part of Robinson's car struck this car?

Ans The back end- the back fender.
