

22- Can you say how it happened the front of Brown's car hit

the back of his :

Ans We was coming this way from Lawrenceburg- he was going this way and when he got close he put his brakes on and scooted around that way - that is the way I saw it.

23- What damage was done to your brother's car?

Ans Quite a little - cost \$41. to have it fixed

24- Could he run it after he was hit?

Ans No sir, not until it was fixed.

25- Did he have to have it hauled in ?

Ans Yes.

26- Will you be present when this case is tried next month?

Ans No sir.

27- Where will you be?

Ans I am going to Iowa.

~~xxxxxx~~

28 How fast was your brother's car running at the time the cars

came together?

Ans About 15 miles an hour.

29 How fast was his car running ?

Ans I don't know.

30 Fast or slow ?

Ans Pretty good fast.

421 What part of the road was his car on when your car struck him ?

Ans He was on his left side when he hit us.

32- How far was he from the edge of the road when he was hit.
