

Ans- He lacked about 5 feet of the ditch on our side of the road

when he hit us.

Cross examination by Mr Rankin

1- You saw these two cars coming towards you ?

Ans Yes.

2- How far away were they ?

Ans I didn't measure the distance- quite a little ways.

3- Were they side by side then ?

Ans No sir, one was behind the other.

4- How far were they from you when Robinson tried to pass

Springate's car?

Ans Not very far.

5- He was coming up behind Springate ?

Ans He was, yes.

6- The way you saw it, Robinson pulled to his left and came

around Springate?

Ans Yes.

7- Did he pass Springate ?

Ans No sir

8- How close did he get to him ?

Ans I don't know.

9- Did he get back behind him ?

Ans No sir.

10- Did he get back behind him at all?

Ans No sir.

11- Where was Springate's car then ?

Ans- When he struck he heard the crash- he was a little ways

up and he stopped..
