

4- Did you see another car at the same time ?

Ans Yes

5- That car was between you ?

Ans Yes.

6- Were they driving side by side or one behind the other ?

Ans Robinson's car had pulled out- the front wheels was up to

about the back of the Springate car.

7- When you first saw the car you saw that.

Ans Yes.

8- Did they change that position in any way after that or did

they come on in the same way.

Ans Robinson pulled on further to the left side of Springate-

kindergained on him.

9- That put some space between you and the two cars.

Ans Just a little.

10- Did Robinson drop back behind Springate.

Ans No sir.

11- Anything to keep him from seeing your car?

Ans No, there was not.

12- Looking right straight ahead?

Ans I guess he was.

13- And you were looking out ?

Ans Yes.

14- Did you pull to your left ?

Ans No sir.

15 Did he ever drop back towards the other car at all?

Ans No sir.

16- What part of the car did he hit.
