

MERCER QUARTERLY COURT.

W.T. ~~Royal~~ Talbot,

Plff.

Vs. Statement.

Trifolium Butter Company,

Dft.

The plaintiff, W.T. Talbot, states that the trifolium Butter Company is indebted to him in the sum of \$25.00 for cream sold and delivered to said company at its special instance and request; that said amount is due and unpaid although payment has been repeatedly demanded. He says that said company has no property in this State subject to execution or not enough thereof to satisfy the plaintiff's demand and that the collection of the said demand will be endangered by delay in obtaining a judgment and a return of no property found.

Wherefore plaintiff prays judgment against the defendant in the sum of \$25.00 and all costs expended in this action and for a general order of attachment against the property of the said Trifolium Butter Company. He prays for relief to which he is or may appear to be entitled.
