NOTICE

Dear Mr. and Mrs. Devine:

I hereby notify you to erect and build a good and lawful fence on division of the property between myself and your property, and upon your failure to do so will take the steps required by law to have said fence constructed.

I further notify you that it is my intention and I will take steps to prosecute you upon your failure to quit putting your dogs after my hogs and livestock.

If you will construct your fence as you should we will have no further trouble and upon your failure to abide by this notice, I will take whatever steps are required by law to protect my property and to see that the fence is built.

Very truly yours,

*C. C. Claunch*
