

of all parties concerned that the said land should be divided between the said Chas. P. Thompson and the said children of Etta McCrosky decd., so as to allot Chas. P. Thompson his two thirds interest in said land, and to the said H.N. McCrosky and his said three children jointly the interest which would be allotted to his said wife, Etta McCrosky, if she were living, and that the said one third interest be held jointly according to the rights of the parties. That Commissioners be appointed by this Court for the purpose of making said division and allotment, taking into consideration the value of the land, improvements, the quality etc., so that the said land will be divided proportionally as above mentioned in value considering quality and quantity.
