The Plff, George Bohon, states that the Defendants Archie Taylor and Jack Davenport, by their promissory note, dated Jan'y 3rd 1911, which they executed and delivered to him, promised and agreed to pay Plff on the 1st day of July 1911, the sum of \$78.00w with interest thereon at the rate of 8 per cent per annum from ~~maturity~~ maturity until paid. Where Plff prays judgment against the Defendants for the sum of \$78. with interest thereon at the rate of 6 per cent per annum from the 1st day of July 1911, until paid, and his cost herein expended.

Paragraph 2;

Plff reaffirming the allegations of the first paragraph of this petition, and making the same a part hereof as fully as if copied herein, says that said indebtedness was the price of a buggy and harness sold by Plff to the Deft Archie Taylor on Jan'y 3rd 1911, and that in addition to the personal security of the Deft Jack Davenport, the Plff retained a lien upon said buggy and harness to secure the payment of said note at maturity and interest due thereon. He states that both of said Defts acknowledged said lien by ~~assigning~~ assigning the said note and that by reason thereof the Plff has a valid and subsisting lien on said buggy and harness to secure the payment of said debt, interest and cost of this action.

Wherefore he prays that said buggy and harness be sold to satisfy said lien and the cost of this suit. He prays for all legal and equitable relief.
