

## Dope On Football

### Maysville Here Tonight

Prospects for a wet gridiron and cold weather were in the offing today as the Harrodsburg Pioneers awaited the whistle for the opening kickoff tonight at 7:30 o'clock that will send them against the strong Maysville Bulldogs.

Coach Emmett Goranflo's squad came through the Perryville conflict last week in good condition and have been working hard all week in an effort to be at their best against their opponents for tonight.

During the past week the Harrodsburg mentor has drilled his charges hard on defense in the hope of stopping the Maysville outfit who enter the game heavy favorites.

Goranflo indicated that "his starting lineup would be practically same as last week, with Reed more than likely replacing Green at right end. Good weather conditions will probably find a big crowd out to cheer the locals.

Off to a slow start but gaining with the momentum of a fast freight, Harrodsburg's Pioneers opened their 1936 football season last Friday night with a decisive 25 to 0 victory over a light but scrappy Perryville eleven. The contest, first to be played here at night, was witnessed by some 300 shivering spectators.

The Pioneers, as all teams do in their initial game, appeared ragged at times, but took advantage of every break to completely outclass the visitors. Scoreless in the first frame, the boys in blue shoved across two touchdowns in the second period and one each in the third and fourth, making good only one point after touchdown.

Best, Coach Emmett Goranflo's fleet-footed signal barker, led the Harrodsburg attack, tallying three of his team's markers and accounting for the extra point on a lunge thru center. Harmon was outstanding for Perryville and did practically all his team's ball totting in addition to the punting duties.

### Reed Shines

In the line, Reed, who substituted for Green at end shortly after the contest got under way, stood head and shoulders above the lot. This lad was a menace to the visiting backs and spent the evening messing up Perryville plays. Reed was also on the receiving end of the two passes completed by the Pioneers with Best doing the hurling.

Twice in the opening period, Harrodsburg drove to within scoring distance but lacked the punch to put the ball over. Shortly after the second quarter opened Perryville gained possession of the ball on their own 42 yard line. Harmon dropped back to punt but a swarm of Harrodsburg linemen broke through and blocked his kick. Reed recovered the blocked kick and faced to the 11 yard line before he was brought down. Donovan went six yards through center and then Best ploughed through for the remaining five yards and the score.

The second touchdown came as the result of a double pass behind the line with Donovan scooting around end to the Perryville 20 yard stripe. Best then tossed a pass to Reed, who was downed on the Perryville eight and two tries Best again plunged over. The attempted kick from placement for the point failed.

### Teater Blocks Punt

Again in the third quarter it was a blocked punt that led to Harrodsburg's third score. Teater broke thru to block Harmon's kick and Harrodsburg took the ball on the Perryville 19 yard line. This time the visitors stiffened and took the ball on downs

on their 12 yard line but a bad punt back gave the Pioneers the oval on the 23 yard stripe. Saddler, behind excellent interference, galloped for the marker on the first play. Best scored the fourth touchdown on a 20 yard run and crossed the line standing up.

Two injuries marred the contest, Thompson, of Perryville suffering a severe flesh injury to his foot while Cox, Perryville right halfback, sustained two broken ribs.

Defensively, the Pioneers were weak in spots while their blocking and tackling was also below par. Coach Goranflo, who otherwise was well pleased with his team's performance, plans much drill in these two departments this week.

Statistics show that Harrodsburg gained 145 yards from scrimmage and lost 23; completed 2 out of 8 passes for a gain of 25 yards; punted six times for an average of 26 yards per kick; drew 25 yards in penalties; fumbled three times and recovered but once and registered eight first downs.

Perryville gained 41 yards from scrimmage and lost 7; punted five times for an average of 23 yards per kick and made two first downs. The Boyle Countians did not attempt to pass.

The lineups:  
Harrodsburg (25) Pos. (0) Perryville  
Moss ..... L.E. .... Barker  
Foster ..... L.T. .... Leonard  
Burns ..... L.G. .... Rapkin

Claunch ..... R.G. .... Gray  
Teater ..... R.T. .... Webb  
Green ..... R.E. .... Taylor  
Best ..... Q.B. .... Langford  
Saddler ..... H.B. .... Harmon  
Curtisinger ..... H.B. .... Cox  
Donovan ..... F.B. .... B. Leonard  
Substitutes: For Harrodsburg Reed, Mills, Edwards, Foster, G. Dean, Mitchell, Wade, Lyons, Bonta and Coleman. For Perryville: Thompson, Semonis, Gordonwood, Moore and Powell.

Officials: Bach, Ky., Referee; Little, Ky., umpire; Simpson, Ky., head linesman.

### PIONEER PARK NOTES

(H. C. Wood, Curator)

And now September days,  
While we sing, o'er and o'er,  
That old, familiar, sad refrain  
"It ain't goin' to rain no more."

A school from Camargo, near Mt. Sterling, Montgomery county, came to the Park on last Saturday.

A charge of ten cents per head is made for all school children and teachers who may accompany them, but this is not extended to other adults that are along with the party. They are expected to pay the usual price of 25 cents, which admits them to both Fort and Mansion.

Also the fact that you have been through the Park once, does not give you free admittance for lifetime. To friends who frequently bring their visitors to view the many sights to be seen at the Park, the courtesy is extended of no charge to the first or hostess of the party.

Mr. W. L. Rankin, of Lebanon, says his grandfather split fence rails with Abe Lincoln, when he and Abe were young men, and Mr. Rankin also has a large split bottom rocking-chair which was made by his grandfather and Lincoln.

Mr. Oran Stagg, and mother brought several relations to the Park

last Sunday, Mr. and Mrs. Hunter Stagg, of Colorado Springs, and Mrs. Will Stagg, of Lexington.

The pleasant weather brought out a large number of visitors to the Park on Sunday last. They began coming early in the morning and continued to arrive up to the time the gates were closed late that evening—men, women and children—all interested in Kentucky pioneer history.

Mr. James G. Hamilton, of Cincinnati, Ohio, with his wife and niece, from Philadelphia, visited the Park on Wednesday. His father, James G. C. Hamilton was a sculptor and made the statue of Moses Cleveland in the city of Cleveland, also some 27 busts and statues on the battlefield of Gettysburg.

Moses Cleveland was a noted pioneer of what was then known as the Northwest, and is an ancestor of the Curator of the Park here.

Mr. and Mrs. L. A. Wisendaker, of Lake Park, Ga., were visitors at the Park. They are friends of Mrs. Dan Bohon, having met her in Florida.

Mr. Louis Wade, of Denver, Col., was the guest of Miss Carrie Stagg and sisters and also a guest of Fort Harrod. Mrs. Joe Bailey, of Houston, Texas, was also a guest of the Park.

Mrs. F. S. Coyle, with her two sisters, Misses Belle and Gertrude Snyder, were visitors at the Park on Tuesday. Mrs. Coyle has an apartment at the Northumberland, Washington City, and is a near neighbor of Mr. W. J. Moore and sister, Miss Irene Moore, who also have an apartment in that building.

Mr. Merrill Williams, wife and son,

and Miss Minnie Mae Wilage, were visitors at the Park as guests of his sister, Miss Neva Williams. Merrill left Harrodsburg about thirty-three years ago to take a position with the Belknap Hardware Co., of Louisville, where he has remained since his early connection with this well-known firm in which he is now head of the claim adjusting department.

Mrs. Lillian Tyler Plagstedt, of Cincinnati, a musician of note, and a great-great-niece of President Tyler, was a recent visitor at the Park in company with Mrs. Charles J. Hunt, also of Cincinnati.

Last Sunday brought another large crowd to the Park. People are taking advantage of the pleasant weather for sight seeing before disagreeable days arrive.

Miss Nancy Smock brought as her guest to the Park, Mrs. Dudley Bowman, of Kansas City, Mo. Mrs. Bowman is the daughter of the late Dr. Fayette Dunlap, of Danville, while Dudley is a Mercer county boy, the son of Dudley Bowman, Sr., of early pioneer stock.

### DOGS "DEBARKED"

A "debarking" operation has been performed on noisy dogs following many protests from a Sydney hospital. Owners did not wish to lose their dogs so they had them operated upon, says a dispatch from Sydney, N. S. W. Owners of barking dogs in this neck of the woods would greatly please their neighbors if they would have their canines "debarked."

First Teaspoon Known  
The first teaspoon known, dated 1689, is a toy one.

### TAX PAID IN DIMES

C. S. Randel, of Oklahoma City, paid his city paving taxes in dimes, 531 of them in a milk bottle.

Hand us your subscription.

### YOUTH AT SING SING

As of August 30, there are 22 youngsters in the death house at Sing Sing, waiting execution for murder. Of the 22 slayers, 9 are under 21 years of age. Two are 17 and 4 at 18. The average age of 11 prisoners is 23 years and 7 months.
