# Private Sale GOOD HOME AND BABY FARM

In Harrodsburg on the Perryville pike. About ten acres of good land on which is about 3 acres of young orchard (6 years old), consisting of apples, peaches, plums and a grape vineyard. Also one acre in strawberries, set out in the spring. Ideal truck and fruit farm. Easily adapted to poultry. A plant business already established that brings in annually about \$300 during the spring months.

The house is substantially built throughout of yellow poplar lumber; 7 rooms, hall and bathroom, equipped with modern fixtures. New Oak floors throughout; new furnace, used one winter. House recently improved with large new front porch. New roof, new paint-job inside and out. Has the conveniences of electric wiring, hot and cold water, connected with the city water. Outbuildings including small barn. An ideal home on the market because owner has decided to reside in another state.

If not sold, will be for rent.

Harrodsburg is co-operating with the nation-wide movement to observe National Fire Prevention Week—October 4th to 10th. Its purpose is to spread information on fire prevention and fire control. The annual loss due to preventable fires has reached alarming proportions. It is time the nation learned to curb its carelessness. There are lessons in fire prevention we all can learn. Let's learn them!
