Dedication

When we felt the pangs of failure, you were there. When our hearts were bubbling with joy and success, you were there. Yes, when there was no other to whom we could turn, you were there. Standing behind us as a fortress, standing as a pillar of light and inspiration before us, you have led us through these past twelve years.

Words can not begin to express our appreciation, but it is our hope that this small token of thanks will help to explain the feelings we hold in our hearts. Therefore, in humble gratitude for all the help and guidance you have given us, we hereby dedicate this annual to you, our parents.

The buses which carry us home at the close of each school day is symbolic of the knowledge which will carry us through life. Within the walls of Mercer County High School, we have made scores of friends; we have gained a greater understanding of people; we have known the joys of success; we have felt the pangs of failure. We have many pleasant memories to ride with us on the buses along the roads of life.

Now as we board these buses for the last time, there may be tears in the eyes of most of us. Within our bosoms, we are harboring a parcel of mixed emotions because we have been together for four years. Now we will each go our separate ways, and who can say what the future may hold for us! Behind us we leave friends whom we shall never forget, and to those who are yet building upon their knowledge at M.C.H.S. we offer best wishes and encouragement.
