Mr. Charles S. Ison  
Harrodsburg, Kentucky

My dear Mr. Ison:

You are hereby notified that I require you to erect a lawful fence on the boundary between your lands known as the Felix Drake property and my land, or to repair said fence so far as it is needful and proper to make it a lawful fence.

Upon your failure so to do I shall avail myself of the rights under the law to take such steps as may be necessary to construct a lawful fence or repair the same in which event I shall look to you for the costs of the building or of the repair upon the same.

Respectfully,

*Mrs D. L. Moon*
