

Mercer Quarterly Court

G. D. Divine

Plaintiff

-v- Petition

The  
Central Pigment Co

Defendant.

Plaintiff says the defendant is a corporation authorized to do business in Kentucky; that in the months of January and Feby 1919 <sup>in Mercer County Ky</sup> he sold and delivered to the defendant a lot of barytes consisting of thirty tons which was of the reasonable market value of \$6.00 and for which it agreed and promised to pay him \$6.00 per ton; that the defendant received and accepted said barytes but has failed and refused to pay therefor.

Wherefore he prays judgment for \$180.00 and costs and all proper relief.
