

2 More Officers Made Kentucky Colonels

Frankfort, Ky., May 4 (AP)—
Commissions as Kentucky colonels were issued late today to Capt. Edwin Rue and Lieut. Harry Lafon, Jr., Harrodsburg residents, presumed captured by the Japs with others of the 192d Tank Battalion at Bataan.

Gov. Keen Johnson explained that in issuing commissions last Friday to other officers of the 192d Tank Battalion and to other Kentucky soldiers killed or missing in action, the names of these two were omitted.
