-v- Petition

J.A. Kyler and Sylvester Lewis

Defendants.

Plaintiff says that the defendant Sylvester Lewis by his written promissory note dated Sept. 14, 1912 promised to pay to J. A. Kyler four months thereafter the sum of \$55.00 with interest from date at 8% per annum; that said note is long past due and unpaid and is filed as a part hereof; that before its maturity and for value the said J. A. Kyler transferred and delivered said note to this plaintiff by his endorsement on the back thereof, and this plaintiff now owns and holds the same.

Wherefore he prays judgment against the defendants for \$55.00 and interest from Sept. 14, 1912 and costs and all proper relief.
