We are the jolly Seniors
Of forty-six and seven;
We hope to graduate this year
And later go to Heaven.

The nine of us are striving hard
To gain the goal of "Success";
We've worked together four long years,
And now we're ready to bless.

For "Seniors" we are called at last;
We've toiled for many a day,
And now we believe the time has come
To make our knowledge pay.

Our work has now approached its end,
Many lessons we have learned;
We feel that we are better fitted
To take the places we've earned.

SENIOR HISTORY

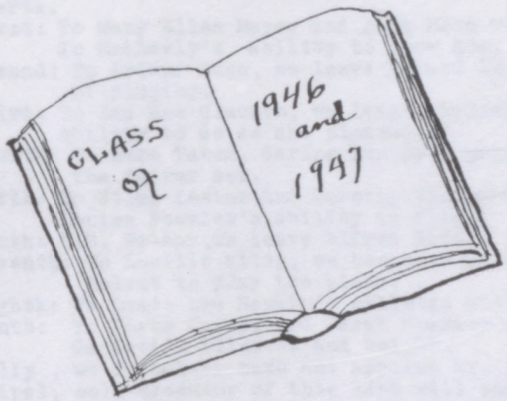

In September 1943, we the green Freshmen, entered the portals of Education to try to become the proud owners of a sheepskin at Rose Hill High School, under the supervision of Mrs. Joe Vanarsdale. Fourteen members were enrolled in our class. During this year we lost one member , J. H. Whitenack. This left the unlucky number of thirteen to carry on the work we had started. (Unlucky it was too.)

In September 1944 we organized as sophomores, with ten members. Miss Opal Long was our sponsor. Lost by the highway were Howard Nichols, Glenn Graves, and Vernice Ross.

In September 1945 we entered our Junior year. During this year we lost one member, who decided to enter the throes of matrimony, Edna C Claunch. We also had two who decided to enter Harrodsburg High School, Nora Hawkins and Frances Davis. We gained a lenghty member, Alma Catlett. This year we had the honor of having the principal, Mr. Alfred Cross as our sponsor. We tried to give a Junior play called "Galloping Ghost" but failed.

We entered the Senior year with seven very dignified members. Mr. Buchanan, the principal, was our sponsor. We had lost Coleen Moore. She decided keeping house would be more pleasant than studying history so she got married. We also lost Bob Baker to the Junior class. A few days after school opened Walter Caton joined the Armed Forces. Then we gained two veterans, Lee Hawkins and Howard Lester, also Alfred Kidd.

We feel we owe a great deal to the Rose Hill High School since we are better trained to face our future problems by having been a student in this school. Our hearts are full of love and gratitude for Rose Hill High School and all teachers who so faithfully guided us through the years we were in school.

CLASS WILL

We the Seniors of nineteen hundred forty seven having completed our journey through high school prepare to leave behind forever these years of study, play and mischief, being in full possession of an unprejudiced, well disciplined, and comprehending mind do hereby declare this to be our last will and testament.

We now do dispose of such estate as has fallen to us as follows:

Item: We give and bequeath to the school our undying loyalty. The school has held before us constantly the principle that an ounce of loyalty is worth more than a pound of cleverness. We hereby trust that the school can use our loyalty as a leaven in graduating the incoming senior class.

Item: To the faculty we bequeath our humorous answers on test papers and hope they will profit by our wisdom.

Item: To our principal, Mr. Buchanan. we give the satisfaction of knowing that he has safely steered us to the embarkation point beyond which lies our future destiny.

Item: The Senior Class bequeaths its importance in the affairs of the school to the now lowly Junior Class.

Item: To the Sophomore Class we leave Mrs. Dean who will lead you through the straight and angular ways of geometry.

Item: To the Freshmen Class we leave our ability to master our studies.

Item: To the school we leave a beautiful American flag bought by the Senior Class that the school in years to come will remember us by "Old Glory".

Item: The next bequests may appear to be of little value however, they are gifts worthy of your acknowledgement. Please accept them as a reminder of the goodness of our hearts.

First: To Mary Ellen Mayes and Alma Horn we leave Betty Jo Matherly's ability to chew gum.

Second: To Arthur Bugg, we leave Howard Lester's love of singing.

Third: To Ida Mae Claunch, we leave Christine Patterson's ability to do as she pleases.

Fourth: To Ezra Tatum, Carlos Lester's popularity with the fairer sex.

Fifth: To Wilma Lester,and Dorothy Thompson, we bequeath Louise Peavler's ability to flirt.

Sixth: H.B. Wilham,we leave Alfred Kidd's studious habits.

Seventh: To Lucille Wiley, we bequeath Dorothy Hood's talent to play the piano.

Eighth: We leave Lee Hawkin's athletic ability to Clyde Coy.

Ninth: To Joyce Carey, and Sarah Sparrow we leave Alma Catlett's slimness and height.

Finally , we do hereby name and appoint Mr. D.L. Buchanan, the principal, sole executor of this last will and testament.

In witness whereof, we the Senior Class of nineteen hundred forty-seven , the testator have set our hand and seal on this the fifth day of May in the year nineteen hundred forty seven.

Class of 1947.

HUMOR

Mr. Buchanan- "Alfred, ...at does the buffalo on a nickel stand for?"
Alfred- "Because there isn't room for him to sit down."

Father- "Betty Jo, that young man of yours stays too late when he calls. Hasn't your mother said something to you about it?"
Betty Jo- "Yes, daddy, mother says men haven't changed a bit."

Miss Matherly- "I have went. That's wrong isn't it?"
Carlos- "Yes, ma'am."
Miss Matherly- "Why is it wrong?"
Carlos- "Because you ain't went yet."

Alfred- "I think Alma will make me a good wife. Every time I go there I find her darning her father's socks."
Howard- "That caught me too, until I noticed that it was always the same sock."

Angry Neighbor- "Your son threw a lump of coal at my cat."
Mrs. Dean- "He did? Well, I'll speak to him for being so wasteful."

Louise- "Changing a tire, eh?"
Lee- "No, no, I just get out every few miles and jack it up to give it a rest."

Mr. Buchanan- "How are you getting on at home since your wife went visiting?"
Mr. Whitehead- "Fine. I've reached the highest point of efficiency. I can put my socks on from either end."

Christine- "I found a needle."
Howard- "Now find a haystack and we'll have some fun."

Dad- "I won't have you standing on the porch with that young man."
Dorothy- "Why I only stayed for a second."
Dad- "Nuts, I distinctly heard a third, fourth, and fifth."

Lee- (coming in late to an eight fifteen class) "I'm late, Mr. Buchanan, but I-I-I had to wash my neck and ears this morning. I swear it won't happen again, sir."

Mr. Whitehead- "Howard, who made the first nitride?"
Howard- "Paul Revere."

Alma- "This typewriter isn't any good."
Mr. Whitehead- "What's the matter with it?"
Alma- "I want to write the word "Book" and there's not but one "O" on it."

Juniors

September 1944, nineteen shy Freshmen entered the institution of learning in the Rose Hill High School. We had Mrs. Agnes H. Dean as our home room teacher. We elected the following officers: President, Betty Patterson; Vice-president, J.W. Jackson; Secretary, Laverne McRay; Treasurer, Harold Davis. During our freshman year we gave two one act plays. We lost one, Dalton Carey and gained three, Lucille Wiley, Wilma Lester, and Deloras Warner.

In 1945 we entered our Sophomore year with seventeen members under a new Principal, Mr. Alfred Cross. Mrs. Alice Tatum guided us through our stage of silly ways with success. Our class officers were: President, Lucille Wiley; Vice-president, Wilma Lester; Secretary; Laverne McRay; Treasurer, Harold Davis. Miss Adams, our Dramatic instructor, coached our play "The Quiet Home Wedding". This year we lost Loretta McCrystal and gained H.B. Wilham.

Now we're "Jolly Juniors" in the class of '47 with our "treasure and pride", Mrs. Agnes Dean as our home room teacher. This year we elected as our class officers the following: President, Clyde Coy; Vice-president, J.W. Jackson; Secretary, Laverne McRay; Treasurer, Wilma Lester; and class reporters, Lucille Wiley and Alma Horn.

Miss Adams decided to change her profession from a school teacher to a house wife. Mr. D. L. Buchanan from Ohio became our new principal. Two other new members was added to the faculty, Miss Mellie Matherly, English teacher, and Mr. Howard E. Whitehead Agriculture teacher. Two of our members left the class near the opening of school, Harold Davis to join the Armed Forces and Lucille Thorpe retired from school life.

Other than our scholastic achievements our principal interests have been to engage in such activities as, sponsoring a magazine sale, candy sales at ball games, and to carry out our plans for the annual Junior-Senior party.

We look back at the three years accomplishments and find that we have stored many happy memories. We look ahead to the next year with much anticipation to being the Senior class of 1948.

Sophomore History

We entered Rose Hill High School in September 1945 as green Freshmen. We were lucky to have Mrs. Agnes Dean as our home room teacher, as she was also our Algebra teacher. We wonder if that didn't make Algebra a little easier?

In our first class meeting we elected our class officers: President, Connie Allen; Vice-president, Chloe Lester; Secretary, Lois Catlett; Treasurer, Kenneth McCrystal, Reporter, Bill Caton, and Sargeant-at- arms, Stuart Warner.

We lost two of our classmates J.B. Peavler and Billy Best.

The girl's gave a play called "Mixed Dates". It was directed by the Dramatic coach, Miss Adams.

This year ended and we still felt rather green although we had progressed from "Green Freshmen" to "Silly Sophomores".

We emtered our Sophomore year with a new teacher Mr. Whitehead. We were lucky to get him as it helped us in Biology.

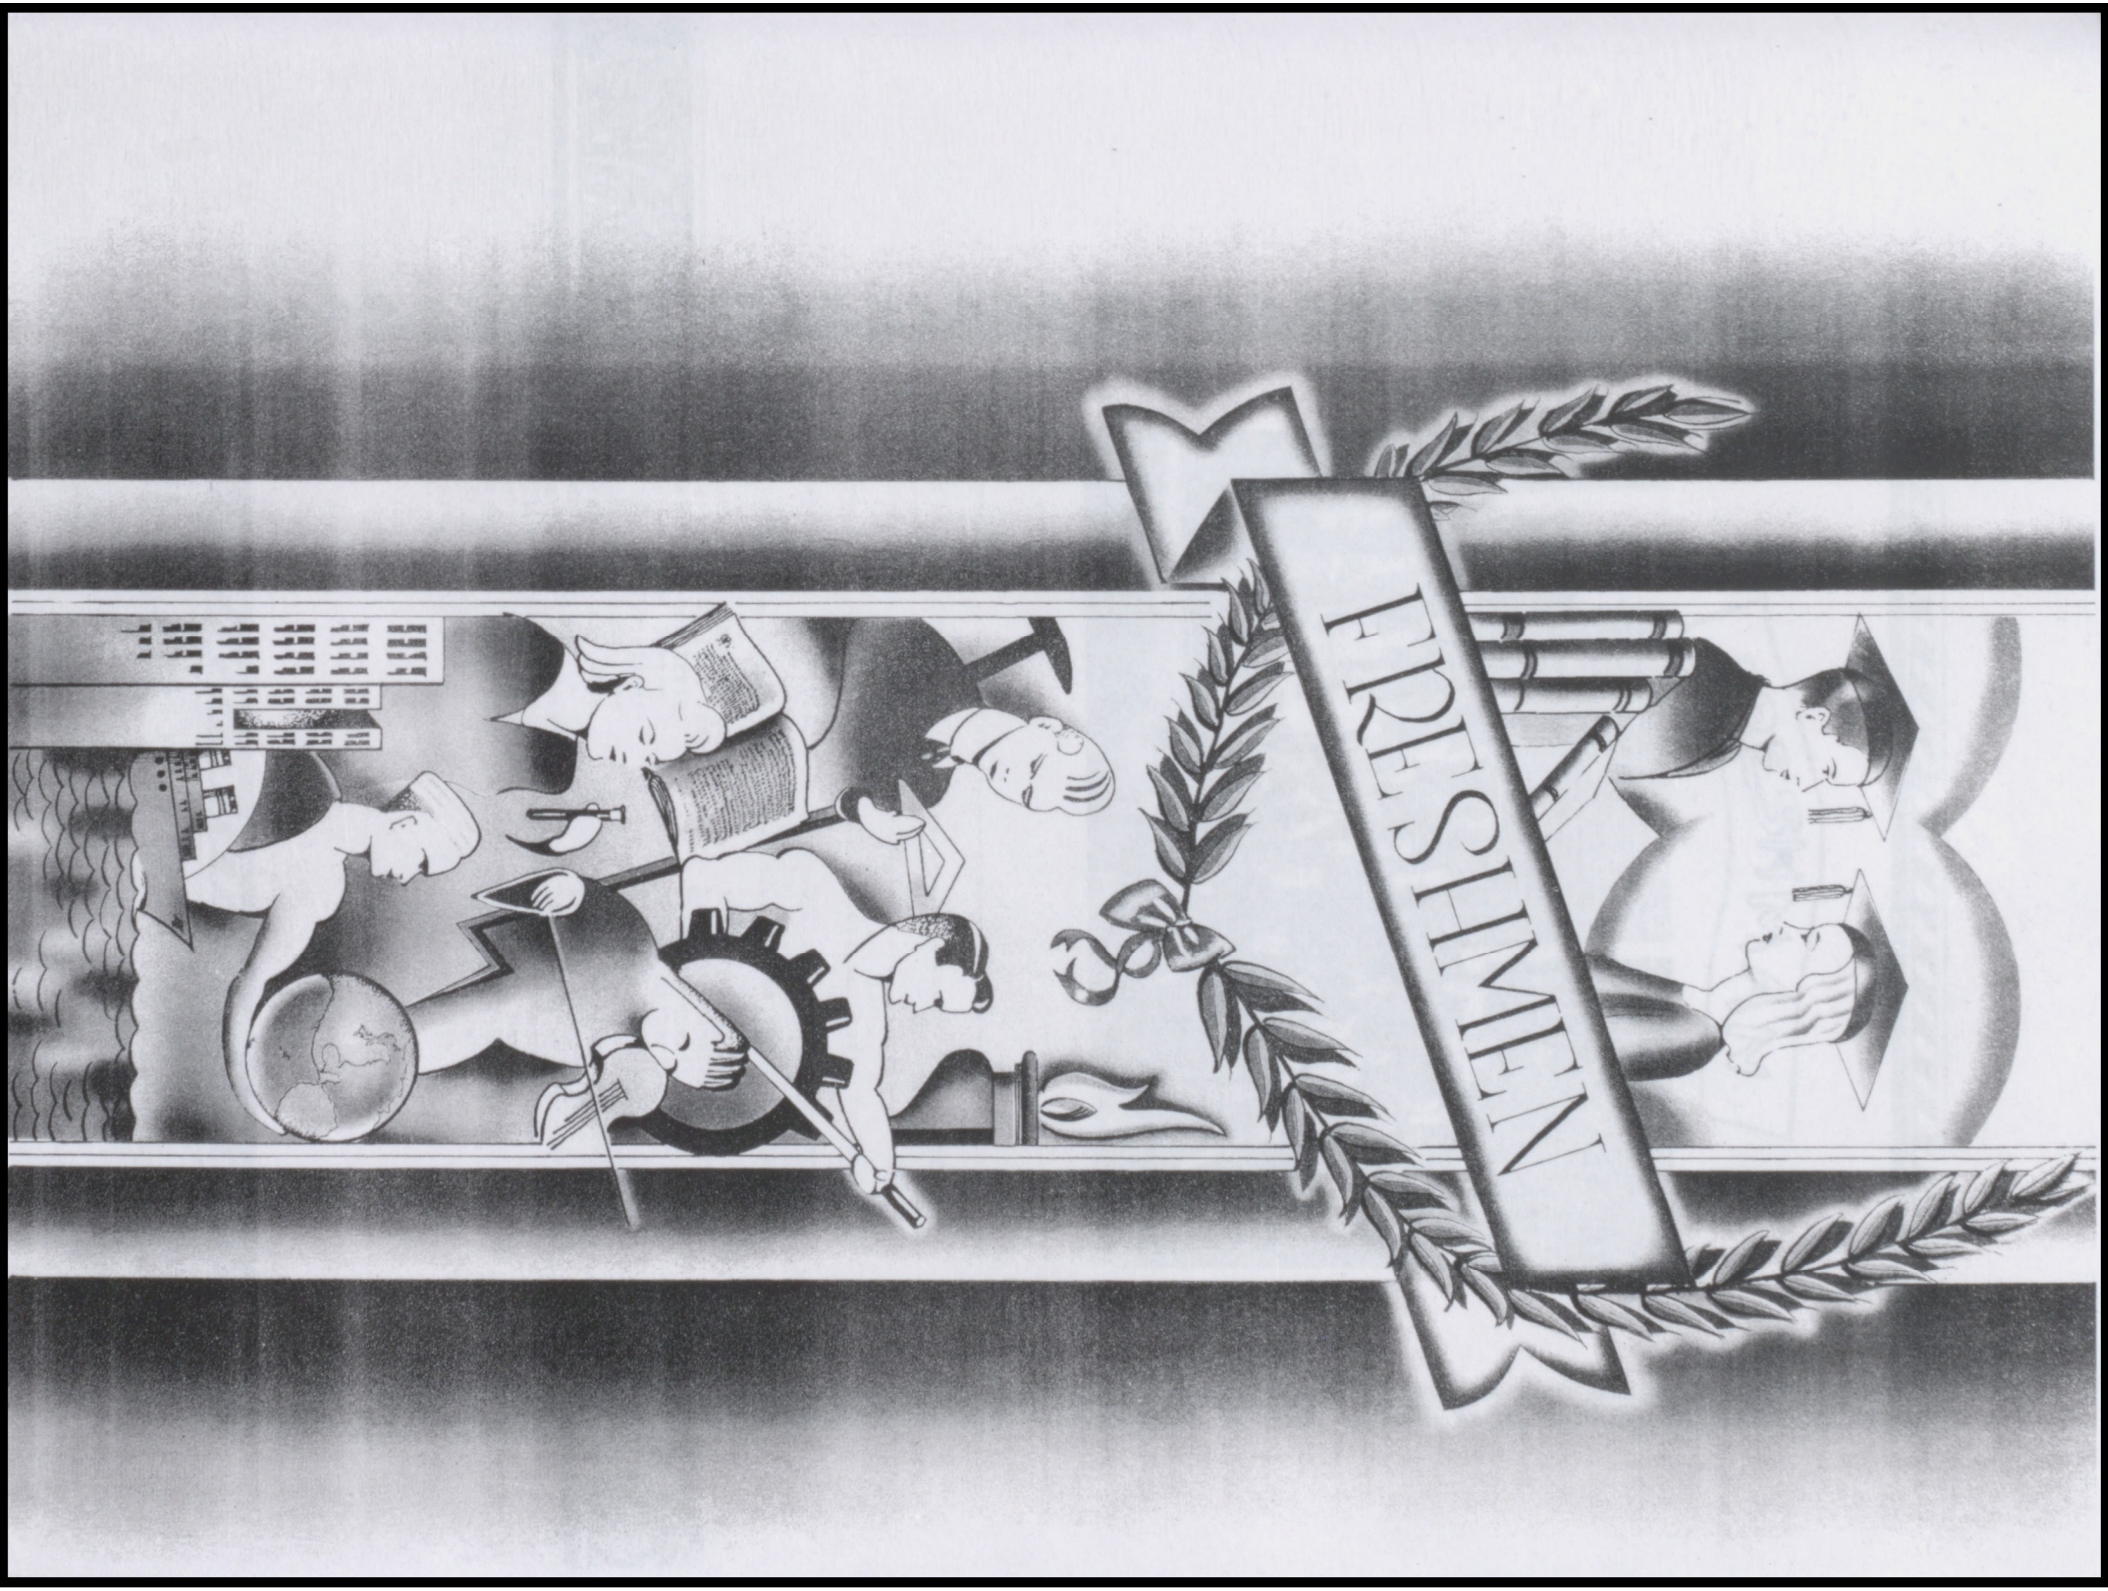

We lost two more of our classmates, Roy Gibson and Robert Gilliland. Robert was floating down the stream of love and became engulfed. We also gained two new members Chester Kidd and Gloretta Davis, but Gloretta had to stop because of her health.

Our officers were, President, Kenneth McCrystal; Vice-president, Bill Caton; Secretary, James Wheeler; Treasurer, Inez Cummins; and Reporters, Chloe Lester and Eileen Sampson.

Our World History was hard, but with Mr. Buchanan as our teacher, it was much easier for us.

This ends our history for the two years. We wonder what our next two years will be like?

FRESHMAN HISTORY

On September 9, 1946 twenty eight shy little "Freshies" enrolled in the Rose Hill High School. It was not long however until these green little freshmen began to grow(as all green things do).

At our first class meeting the following officers were elected: President, Wanda Claunch; vice-President, W. H. Darland; Secretary. Lawrence Hendren; Treasurer, Stacy Etta Darland; and Reporter, Nannie Perkins. We were very fortunate in getting Miss Mellie Matherly as our sponsor.

Two of our number dropped out of school during the first month. Craig Catlett decided that he did not need an education to become a farmer and Margaret Harmon decided she would rather keep house than go to school so she got married. At the beginning of the second Semester Hanley Peavler moved to Cornishville and entered school there. Thelma Ara Langford decided to become a farmerette so she began farming for her father. We lost four but we gained three. Robert Sampson, a G I,entered school in December. Loraine Kirkland from Cornishville High and Bobby Elliott from Lexington Junior High entered school in April. We were glad these three entered our class.

Members of our class have taken part in all extra-curricular activities for which they were eligible. Our boys made a splendid record in basketball.

The class sponsored a trip to the Mammoth Cave. We feel that we know more about our State and also about the marvelous things of nature by taking the trip.

As we come to the close of the year, we feel that we are really a part of the Rose Hill High School and are looking for-ward to the next three years. We are grateful to our teachers who have labored so faithfully in our behalf.
