Plff-

The defendant, J.C. Royalty, for answer and counterclaim

goods they were by the said company represented and warranted to
first class quality. He says that said goods were
not of the quality represented and warranted by the plaintiff and
by reason of a breach of said warranty of goods the plaintiff was
obliged to and did return a lot of the goods and that of the goods
he was and is damaged by reason of said breach of warranty in the
sum of \$75.00. That of the goods returned the plaintiff failed and refused
give him credit for goods and charged him freight and discount in the
sum of \$24.13 and goods not credited on return \$20.00.

Wherefore defendant asks to be dismissed with his
costs and for all relief to which he is entitled including a judgment
over for the difference between his counterclaim and plaintiff's peti-
tion.
