

MR. ROBERT A. GRITTON

MRS. AIMEE ALEXANDER

DEDICATION

Now, at the turning point of our lives, we, the class of 1959, humbly, reverently, sincerely, and gratefully dedicate this edition of the "Harrodian" to you, our sponsors, Mrs. Alexander and Mr. Gritton. Throughout the past two years, both of you have been fine teachers and friends, and have devoted your energy, experience, and skill in coping with the problems of those whom you have taught. Despite many obligations and responsibilities, you have found time to guide us successfully in the many activities of our last years at H. H. S. Your never-ending patience and untiring efforts have contributed greatly toward the happiness and success of our high school career.

ADMINISTRATION

WILLIAM S. SMART, Principal

A. F. YOUNG, Superintendent

Through the past six years I have watched the progress of the class of '59 with a great deal of admiration. Individually and collectively the class has achieved distinction in the classroom and in extra-curricular activities. You have been working diligently toward the achievement of the goals you set for yourself.

Nothing gives a person greater satisfaction than the fruits of his own labours. In the years to come continue to work with the same determination as in the past. Your reward will be the satisfaction of a job well done.

My heartiest congratulations to each and every one of you.

A. F. Young, Superintendent

"'The last best hope' Jefferson called this government. There is no doubt about its being the last hope. If the democracy of America cannot master the existing crisis, it is idle to look for another; if we fail, tyranny must overwhelm the world."

GEORGE LOWREY

"So live, that when thy summons comes to join
The innumerable caravan, which moves
To that mysterious realm, where each shall take
His chamber in the silent halls of death,
Thou go not, like the quarry slave at night,
Scourged to his dungeon, but, sustained and soothed
By an unfaltering trust, approach thy grave,
Like one who wraps the drapery of his couch
About him, and lies down to pleasant dreams."

-Thanatopsis

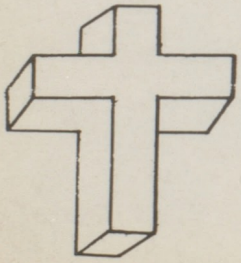

IN MEMORY OF

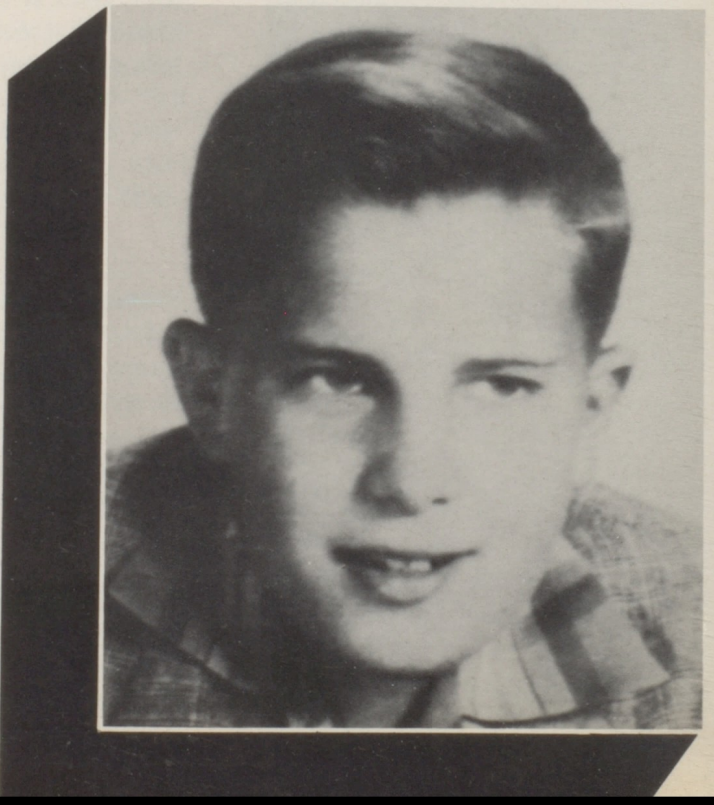

"Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea."

"For though from out our borne of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crossed the bar."
