Dear Sirs:

This is to notify you that upon your failure to quit running your stock at large on the highway that it is my intention to have a warrant issued for you. It is a violation of the law to permit your stock to run at large on the highway, and I hope that you will erect a lawful fence and keep your cattle and other livestock off of the ~~hwy~~ road.

Upon your failure to do so, further steps will be taken without other notice.

Very truly yours,

Bonnie Dyer
