

Mr. Jack W. Allin:

You are hereby notified that your portion of the division fence between our farms is so out of repair and so badly rotted that it is insufficient to protect my property against your stock or your property against mine. Your stock have been trespassing on me for months and I simply cannot tolerate it longer. This is to notify you that I require you to replace your portion of the fence with a lawful fence according to law and that I will expect damages for the injuries already done.

Sept. 8th, 1934

*W. D. Hoyne*
