

### FARMER INFECTED WITH RABIES FROM YOUNG CALF

Louis Osborne, Booker Road farmer, is taking anti-rabies serum to prevent development of hydrophobia, having become infected from saliva from a young calf believed to have been infected with hydrophobia.

Another calf died a few weeks ago on the Osborne farm and it is now believed this calf may have been similarly infected.—Springfield Sun.

### VALUABLE MARE

James I. Wilmut, Jr., on the Tate farm, told the writer that he has a mare 26 years old which has had 21 colts, missing only in the year 1933, and that year she adopted a colt whose mother died when it was eight days old.—Stanford Interior-Journal.

### LIGHTNING STRIKES BARN IN MARION COUNTY

During an electrical storm last week, lightning struck and set fire to a large barn on the farm of H. E. Litsey at Pleasant Grove, destroying the barn, four work mules, 400 bushels of corn, new Ford V-8 truck, work harness and farm implements. The loss is estimated at \$2,500. A small amount of insurance was carried.

### RANKS THINNING

A thinner rank will shout the rebel yell at the Confederate reunion at Shreveport, La., in June. Pension rolls in 13 states show approximately a thousand fewer names than last year. Unofficial estimates of the number of the South's old soldiers range from 5,000 to 9,000.

## School Notes

### ERROR IN COPYING GRADE HONOR ROLL

By an error in making a copy of the roll for the paper last week, the perfect attendance record for the second grade taught by Miss Katharine King was published in place of the honor roll. The honor roll for the last term is as follows:

Mary Edmond Burton  
Wilbert Bugg  
Virginia Carey  
Romania Carter  
Blanche Clark  
Edgar Green  
Nellie Latham  
Betsy Royalty  
Elsie Watts  
George Meyer  
Juanita Parr  
Eugenia Sallee  
Frances Steele  
Ruby Tatum  
Irma Tewmeyer  
Billy Willham  
Morgan Wheeler

William Jarvis  
Imogene Lay  
Ida Belle Hungate  
Nell Wiley  
Ada McGinnis  
Thelma H. Camie  
Ruby R. Sims  
Teachers.

### CORNISHVILLE SCHOOL NOTES

Possibly the outstanding and most enjoyable event of the school year occurred Saturday, May 23, when the Junior Class entertained the Seniors with an all day outing at Lane's Camp on Lake Herrington. The group spent the day playing games, swimming, boating, and making pictures. After a delightful lunch was served one special feature of the afternoon was a softball game between teams selected from the group by Mr. Champion and Mr. Horn. Since Saturday practically every member of the group has more fully realized the fact that the hotter the sun shines the more severe the sunburn. Accompanying the group were Mr. Whitaker, Mr. Champion, Mr. Horn and Mrs. Opal Baxter Britton.

Members of the 4-H Club have been meeting every Monday for the past few weeks. Those who have taken sewing as their project have as their leaders Mrs. Loyd Mayes and Miss Olga Adkinson. Due to illness in the homes of the leaders the club was unable to attend the Annual Rally Day at the Salvisa High School on Tuesday, May 26.

The school has purchased a new gold and black curtain which together with footlights for the stage is being installed this week and will be used for the first time Friday night when the Senior play is presented. Since the school has been greatly in need of a curtain we feel that it will add much to our commencement programs.

On Tuesday afternoon at 2:30 o'clock our softball team will go to Burgin to play a double-header. Last Wednesday our team divided a double header with Burgin winning the first game 5 to 1 and losing the second game 4 to 6. This is the first defeat our team has suffered this season out of 8 games played.

On Saturday, May 30, the Freshman and Sophomore classes with their sponsors, Mr. Horn and Mr. Champion will enjoy an all day outing.

### OFFICIAL CALL FOR MERCER COUNTY DEMOCRATIC CONVENTION

Pursuant to the action of the Democratic State Central Executive Committee for the Commonwealth of Kentucky at a meeting held at Frankfort, Ky., May 14th 1936, a call is hereby issued for a mass meeting of the Democrats of Mercer county, Ky., to be held at the County Court House in Harrodsburg, Saturday, June 6th, 1936 at 2 p. m. Central Standard time for the purpose of selecting delegates to the State Democratic Convention at Louisville, Ky., Tuesday, June 9th 1936. Said state convention is for the purpose of selection of delegates to the National Democratic Convention at Philadelphia, June 23rd 1936, for the selection of Democratic candidates for the offices of President and Vice President of the United States, and adopt such rules and regulations for the government of the Party as deemed necessary.

In the County Convention, all known Democrats who will be qualified by law to vote in Mercer county at the regular election to be held Nov. 3rd 1936, are qualified to participate in the convention.

Under the rules adopted by the State Central Executive Committee Mercer county is entitled to send 19 delegates to the State Convention.

### THE KENTUCKY TURKEY CROP IS ON ITS WAY

Another Kentucky turkey crop is on its way, since most of the poults in this State are hatched in May. Some breeders continue hatching well into June, but Dr. J. Holmes Martin of the College of Agriculture at Lexington does not favor starting the birds much after the middle of June.

Many of the big birds now are artificially brooded. R. E. Nute, Bullitt county, one of the most successful turkey raisers in the State, says he likes the brick brooder. One brooder is used in a 10 by 12 house built of tin sides and corrugated metal roof to make it fireproof.

This kind of house is light in weight and easily moved. By moving the house frequently, at least once a month, the birds are kept on clean ground. This is the principal method of avoiding diseases.

Turkey raisers must ever keep in mind ways of dodging blackhead. The most effective means of controlling disease, according to this breeder, are to keep the birds on clean ground, and to pick up and burn or bury deeply all dead birds as quickly as possible.

"Our experiences with remedies for turkey diseases teaches us that they just do not work," says Mr. Nute. "We consider a sick turkey the same as a dead turkey. We express our sympathy for the poor bird by cutting its life short and sparing it the agony of forcing medicine down its throat."

### GUFFEY ACT INVALID

Dividing six to three, the Supreme Court Monday knocked out the Guffey Coal Act on the same grounds it invalidated the NRA—an unconstitutional invasion of state powers. The majority held the federal government was without power to regulate hours and wages in the mining industry as well as the manufacturing industry. The dissenting opinion was concurred in by Justice Brandeis, Stone and Cardozo.

### MAMMOTH CAVE IS NATIONAL PARK

Mammoth Cave National Park Tuesday became the twenty-fifth link in the United States chain of national parks. Secretary of the Interior Ickes notified cave officials that the government had accepted 27,000 acres, 9,000 of which is in the cave area, for re-forestation, and conservation work.

## Remodel -:- Repair

### PRESBYTERIANS ORDER CHURCH UNITY STUDY

Southern Presbyterians meeting in General Convention at Augusta, Ga., ordered a study of church unity Tuesday, naming a committee to investigate the proposal and recommend action to the 1937 assembly.

A lengthy night conference laid the basis for almost unanimous action. It followed numerous appeals by Southern and Northern ministers for action looking to a "United Presbyterian Church" from Southern, Northern and Reformed branches.

### DR. CHAS. WELCH ON PRES. SEMINARY BOARD

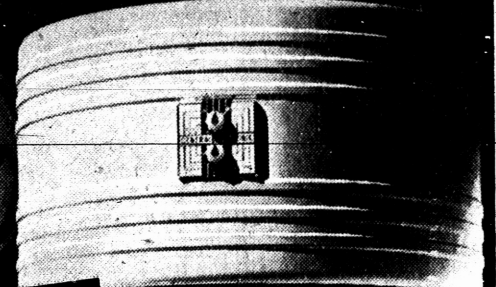

On the twenty-fifth anniversary of his graduation from the Presbyterian Theological Seminary at Chicago, Dr. Charles W. Welch was elected a member of the Board of Directors. He is entering on his twentieth year as pastor of the Fourth Avenue Presbyterian Church, Louisville.

Dr. Welch has often been on programs attending public celebrations here, where he has many friends.
