

Mercer Circuit Court.

C. E. Rankin

Plaintiff.

-v- Petition

Z. T. Fields

Defendant.

Plaintiff says that in the month of January 1915 at the special instance and request of the defendant and upon his contract and agreement, he made for the defendant an abstract of title to his farm in Boyle County Ky; that by the contract between him and the defendant it was agreed that defendant would pay for said abstract of title the sum of \$75.00, said abstract to be acceptable to the Northwestern Mutual Life Insurance Co; that he made said abstract and it was accepted by said Company, but that the defendant has failed and refused to pay him therefor; that said sum has been due since March 1, 1915.

Wherefore he prays judgment for \$75.00 and interest from Mar. 1, 1915 and costs and all proper relief.
