

State of Kentucky,  
County of Mercer, SS.

The affiant, S. K. Daugherty, states that he believes and has reasonable grounds for believing that there is now in on and about the residence property in Harrodsburg, Ky, on Bland Avenue, <sup>North</sup> ~~East~~/side, occupied by Harve Brown and family as a residence, and in and about the outbuilding connected therewith, intoxicating liquors held and possessed illegally, said residence property between the property occupied by Bill Oats and that occupied by Frank Denny.

He says that the basis of his belief is that in Harrodsburg, Ky on June 18, 1931  
/at the hour of 11 a.m. one Mary Oats, told this affiant that she had just seen persons on said property and in the same in possession of ~~an~~ intoxicating liquors; that <sup>she heard said Harvey Brown say</sup> ~~said Harvey Brown told her~~ on June 18, 1931 shortly prior to 11 a.m. that he had on said premises intoxicating liquor consisting of home brew or home brewed beer.
