NOTICE FOR POSSESSION

Dear Sir:

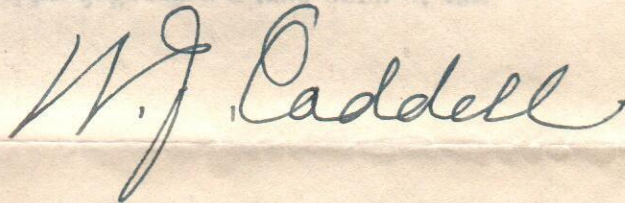

You are hereby notified that I am demanding immediate possession of my house now occupied by you in Burgin, Kentucky. I told you several weeks ago that I wanted possession. You have failed to pay the rent when due.

This is to advise that unless you vacate the premises at once that I will be forced to get a forcible detainer proceeding against you, which will prove expensive to you.

Thanking you for your prompt attention to this, I am

Very truly yours,

W. J. Caddell
