He notified it of the values as fixed by him and of the time and  
place of the sitting of this Board.

It appeared before the Board and moved it to accept the assessment  
and values as fixed by it totalling \$885000.00 and to reduce the assess-  
ment and values as fixed by the County Tax Commissioner from \$1750000.00  
to \$885000.00.

After considering the matter the Board approves the assessment and  
values fixed by the County Tax Commissioner at \$1750000.00, makes the as-  
sessment and values its property at that sum, refuses to accept the as-  
sessment and values fixed by the appellant and refuses to make any reduc-  
tion from the assessment and values as fixed by the County Tax Commissioner.

The assessment returned to be as of July 1, 1923.
