

County Board of Supervisors of Mercer County  
for 1926 taxes, assessment of July 1, 1925.

March 5, 1926.

-----  
Kentucky Hydro Electric Co, returned its assessment list to the Tax Commissioner of Mercer County in which it placed the following values on its property;

731 acres land	\$32500.00
Improvements	625000.00
Transmission lines	52500.00
Machinery sub station	175000.00
Totalling	<del>\$885000.00</del>

The tax Commissioner refused to accept the values given in said list and fixed the following values on the property;

731 acres land	\$32500.00
Improvements	1490000.00
Transmission lines	52500.00
Machinery substation	175000.00
Totalling	<del>\$1750000.00</del>

He notified it of the values as fixed by him and of the time and place of the meeting of this Board.

It appeared before the Board and moved it to accept the assessment and values as fixed by it totalling \$885000.00 and to reduce the assessment and values as fixed by the County Tax Commissioner from \$1750000.00 to \$885000.00.

After considering the matter the Board approves the assessment and values fixed by the County Tax commissioner at \$1750000.00, makes the assessment and values its property at that sum, refuses to accept the assessment and values fixed by the corporation and refuses to make any reduction from the assessment and values as fixed by the County Tax Commissioner

The assessment referred to is as of July 1, 1925.

A true copy attest
